- (2) Does not make independent judgments as to whether individuals or property may enter a sterile area or aircraft without further inspection.

§ 1548.1 Applicability of this part.

This part prescribes aviation security rules governing each indirect air carrier engaged indirectly in the air transportation of property on passenger aircraft.

§ 1548.3 TSA inspection authority.

(a) Each indirect air carrier must allow TSA, at any time or place, to make any inspections or tests, including copying records, to determine compliance of an airport operator, aircraft operator, foreign air carrier, indirect air carrier, or airport tenant with—

- (1) This subchapter, and any security program approved under this subchapter, and part 1520 of this chapter; and
- (2) 49 U.S.C. Subtitle VII, as amended.

(b) At the request of TSA, each indirect air carrier must provide evidence of compliance with this subchapter and its indirect air carrier security program, including copies of records.

§ 1548.5 Adoption and implementation of the security program.

(a) *Security program required.* Each indirect air carrier must adopt and carry out a security program that meets the requirements of this section.

(b) *General requirements.* The security program must:

- (1) Provide for the safety of persons and property traveling in air transportation against acts of criminal violence and air piracy and the introduction of any unauthorized explosive or incendiary into cargo aboard a passenger aircraft.

(2) Be in writing and signed by the indirect air carrier.

(3) Be approved by TSA.

(c) *Content.* Each security program under this part must—

- (1) Be designed to prevent or deter the unauthorized introduction of any explosive or incendiary device into any package cargo intended for carriage by air;

(2) Include the procedures and description of the facilities and equipment used to comply with the requirements of § 1548.9 regarding the acceptance of cargo.

(d) *Availability.* Each indirect air carrier having a security program must:

(1) Maintain an original of the security program at its corporate office.

(2) Have accessible a complete copy, or the pertinent portions of its security program, or appropriate implementing instructions, at each office where cargo is accepted. An electronic version is adequate.

(3) Make a copy of the security program available for inspection upon the request of TSA.

(4) Restrict the distribution, disclosure, and availability of information contained in its security program to persons with a need to know, as described in part 1520 of this chapter.

(5) Refer requests for such information by other persons to TSA.

§ 1548.7 Approval and amendments of the security program.

(a) *Initial approval of security program.* Unless otherwise authorized by TSA, each indirect air carrier required to have a security program under this part must submit its proposed security program to the designated official for approval at least 90 calendar days before the date of intended operations. The proposed security program must meet the requirements applicable to its operation as described in § 1540.5. Such request will be processed as follows:

(1) The designated official, within 30 calendar days after receiving the proposed indirect air carrier security program, will either approve the program or give the indirect air carrier written notice to modify the program to comply with the applicable requirements of this part.

(2) The indirect air carrier may either submit a modified security program to the designated official for approval, or petition the Under Secretary to reconsider the notice to modify within 30 calendar days of receiving a notice to modify. A petition for reconsideration must be filed with the designated official.

(3) The designated official, upon receipt of a petition for reconsideration, either amends or withdraws the notice, or transmits the petition, together with any pertinent information, to the Under Secretary for reconsideration. The Under Secretary disposes of the petition within 30 calendar days of receipt by either directing the designated

(b) *Amendment requested by an indirect air carrier.* An indirect air carrier may submit a request to the designated official to amend its security program as follows:

(1) The request for amendment must be filed with the designated official at least 45 calendar days before the date it proposes for the amendment to become effective, unless a shorter period is allowed by the designated official.

(2) Within 30 calendar days after receiving a proposed amendment, the designated official, in writing, either approves or denies the request to amend.

(3) An amendment to an indirect air carrier security program may be approved if the designated official determines that safety and the public interest will allow it, and if the proposed amendment provides the level of security required under this part.

(4) Within 30 calendar days after receiving a denial, the indirect air carrier may petition the Under Secretary to reconsider the denial. A petition for reconsideration must be filed with the designated official.

(5) Upon receipt of a petition for reconsideration, the designated official either approves the request to amend or transmits the petition, together with any pertinent information, to the Under Secretary for reconsideration. The Under Secretary will dispose of the petition within 30 calendar days of receipt by either directing the designated official to approve the amendment or by affirming the denial.

(c) *Amendment by TSA.* If safety and the public interest require an amendment, the designated official may amend a security program as follows:
